Ken Levine (game Developer) - Wikipedia

Kenneth M. Levine (born September 1, 1966) is an American game developer. He is the creative director and co-founder of Ghost Story Games (formerly known as Irrational Games). He led the creation of the BioShock series, and is also known for his work on Thief: The Dark Project and System Shock 2. He was named one of the "Storytellers of the Decade" by Game Informer and was the 1UP Network's ... May 14th, 2018

Indie Game - Wikipedia

An independent video game, or an indie game, is a video game that is often created without the financial support of a publisher, although some games funded by a publisher are still considered "indie". Indie games often focus on innovation and rely on digital distribution. Indie gaming saw a rise in mainstream popularity in the latter half of the 2000s, primarily due to new online distribution ...
